

**CEP Local 410
Scholarship Awards
October 2011**

Each year, CEP Local 410 awards two \$1000 scholarships to qualified applicants. The Bernard 'Copper' Murphy Scholarship is offered to students who are just starting their 1st year of post-secondary education, while the Ann Neville Scholarship is offered to students who are in their 2nd, 3rd etc year of post-secondary education.

On October 14, 2011 the CEP Local 410 Scholarship Committee met to review all submitted applications and decide on the winners for both scholarships.

This years recipients are as follows:

The Bernard 'Copper' Murphy Scholarship was awarded to Lukas Conway- son of member Austin Conway.

The Ann Neville Scholarship was awarded to Ashley Hawco- daughter of member Ray Hawco.

We would like to congratulate the winners of the scholarships and wish all who applied all the best with their academic endeavours.

In solidarity,
CEP Local 410 Scholarship Committee
